

Port Macquarie Croquet Club

April 2018 Monthly Report from the Committee

- **The S.W Rocks 'Friendly' Day on Monday 23rd April**

The South West Rocks Croquet Club now has two new courts close to the Country Club. This is very different from the 'paddock' courts of the past. They have invited us to a day of friendship and golf croquet. Morning tea and a BBQ lunch will be provided.

Names required by Friday 13th April.

- **May General Meeting**

This meeting will start at 9.00 a.m. on Thursday 10th May. Your attendance would be appreciated.

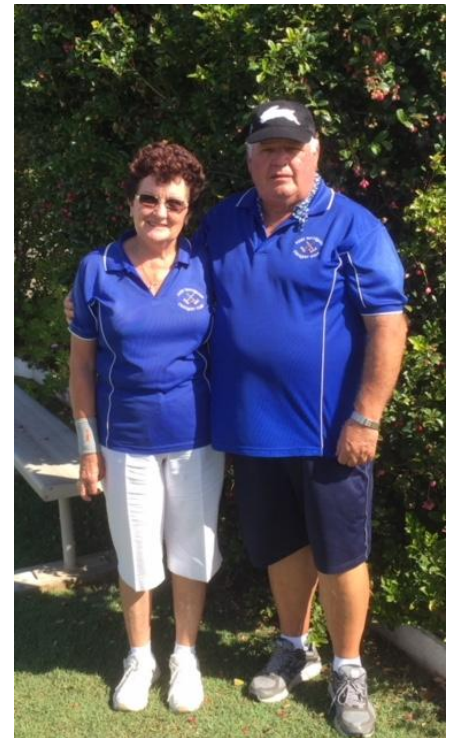

- **Golf Croquet Club Competition Results**

Congratulations to

Eric Gadd for winning the Over 80s competition
and

Anne and Greg Freeman for winning the
Handicap Doubles competition (another Freeman
win, with Greg winning the delayed 2017
Handicap Singles last month).

- **MNCCC (Mid North Coast Croquet Council) Competitions for 2018**

During the next couple of months there will be many Inter-Club matches, between Port Macquarie, Forster, Gloucester and Taree, in golf croquet, association croquet and ricochet croquet. We wish our teams well.

- **ABC Radio chat**

John Hincks had an excellent radio chat about croquet with Kia Handley on ABC radio. If you would like to hear this chat you may use the link

<https://soundcloud.com/abcnsw/learning-croquet>

- **Seniors Expo**

On Monday 9th April our club had a table at the Seniors Expo at Panthers.

Many thanks to the club members who helped by representing our club and trying to encourage people to 'have a go' at croquet. Congratulations to Del Hatton, who was on the organising committee for this very successful day.

- **Congratulations**

to Robin Shenton for being the third club member to qualify as a ricochet referee.

Three club members are in the lengthy process of becoming golf croquet referees.

Bridget Earle
(Secretary)
