

April 2020 Monthly Report from the Committee

Life, as we have known it, has changed.

During our period of hibernation, I will continue to send a brief monthly report.

- **Court closure**

This is a strange time in all our lives and the next few months will be very different.

Shorty has continued to work on our lawns and his priority now is to try to eradicate weeds from the lawns.

Jason will continue to mow and keep tidy the surrounds of the courts and fence.

Matt, our clubhouse cleaner, will do a final thorough clean and sanitisation of the clubhouse. He will return when we resume play.

- **NSW Community Building Partnership Program Grant**

We were delighted to learn that we will be getting a grant of \$10,000 for a grey water storage tank, pump and the other ground works that go with this installation.

We are getting three quotes for the purchase and installation of each of these.

We hope to get the work done during our period of hibernation.

- **Meetings**

Because of the social distancing rules there will be no normal meetings of the committee. The May General meeting will be cancelled. It is possible that we won't be able to hold the Annual General Meeting also. Time will tell.

- **Vale** *Ian Chapman*

Stay safe!

Bridget Earle (Secretary)
