

Bookings, Session Times and Practice

The link to the Booking System is on the Port Macquarie Croquet Club website (portmacquarietroquet.com.au).

Bookings

Click on Book a Session (on the website) to view session times and to register your booking for sessions.

Members should pre-book themselves for desired sessions. They may book others or be booked in by other members. You can book up to 3 weeks in advance.

Session Times

Session times are shown on the Booking System.

It is best to check the Booking System as this accurately reflects the current play times, including times reserved for tournaments.

Draws are made at the beginning of each session to determine the playing groups.

Practice

You need to book in for practice, exactly as you do for a session.

If you practice on your own there is no green fee.

If you are playing with one or more people the normal green fee applies.
